Figure 11 - Send Payment Email

2.1.3. Once your transfer is successful, you will receive BYT purchase confirmation email after you made the payment.

Assalamu a'laikum warahmatullah,

Dear Mr Muhammad,

This email is to acknowledge that you have purchased **1525.75 Bayan Token (BYT)** on **03.05.2018** and we confirm as follow:-

"We hereby accept an advance lease or purchase of a described future usufruct of 16 hours per Bayan Token of usage of private cloud server with specifications of 2 GHz of computing power, 1 GB of processing speed, 5 GB of storage quota and 10 GB of bandwidth for the payment of **RM3,000** that you have made."

Please do not hesitate to ask us any question should you require further clarification.

We also invite you to join our BYT Holders' Channel on the telegram at this address <https://t.me/bayantoken>. This channel will be one of the platforms for us to announce and update the BYT Holders about any important progress.

...

We thank you again for the support that you have shown to us.

Real Value, Real Growth

Regards,

Figure 18 - Reset Password Email

- 3.5. Fill in your new password and password confirmation, then click on the **RESET PASSWORD** button.

The image shows a 'New Password' screen for the BayanToken application. At the top, the BayanToken logo and tagline 'Real Value • Real Growth' are displayed. Below the logo, there are three input fields: 'Password', 'Password Confirmation', and a 'RESET PASSWORD' button at the bottom.

Figure 19 - New Password Screen

3.6. You will be log in to your dashboard with 'Your password has been reset!' notice.

The image shows the BayanToken dashboard. At the top, there is a navigation bar with the BayanToken logo, a menu icon, a notification bell, and a user profile icon labeled 'Muhamad Arief Abdul'. Below the navigation bar, a green notification banner reads 'Your password has been reset!'. The main content area is titled 'DASHBOARD' and features two balance cards: 'Total balance' (0.00 BYT) and 'Unconfirmed balance' (0.00 BYT). Below these cards is a 'Transaction List' section with a search bar and a table. The table has columns for Date, Transaction ID, Email, Amount Request, Amount Swap, and Status. The table is currently empty, displaying 'No data available in table'. At the bottom of the transaction list, it says 'Showing 0 to 0 of 0 entries' and includes 'Previous' and 'Next' navigation buttons.
